050/26	<b>Co-option for Councillor Vacancy</b>	
	<p>Following the resignation of Mrs Ann Jenkins and the vacancy being advertised, the Parish Council had been invited to fill the vacancy by co-option as a request for an election had not been received from 10 electors.</p> <p>A resident, Mrs Barbara Clarke, had applied to join GPC and had been interviewed by the Chair (GS) and LS. Mrs Clarke fulfilled the criteria for co-option.</p> <p>Mrs Clarke, gave a summary of her background, what she could offer and reasons for wanting to join the Parish Council. She indicated that should she be co-opted, she would step-down from her Co-Chair role of Greetham Goes Wild (GGW) to avoid any conflict of interest between GGW and the Parish Council. She then left the meeting together with members of the public to allow councillors to discuss her application for co-option and to vote.</p> <p>During discussion, it was noted that should Mrs Clarke be co-opted, she could become GPC's link to the relevant Focus Group and that she be asked to concentrate her efforts in bringing GPC's and GGW's Biodiversity Action Plans closer together. Her co-option would not be used as leverage to secure additional funding for GGW and this had been acknowledged by Mrs Clarke during her interview with the Chair and LS.</p>	

	<p>The Chair proposed that Mrs Barbara Clarke be co-opted to the Parish Council, seconded by LS and it was unanimously <b>RESOLVED:-</b> that Mrs Barbara Clarke be co-opted to GPC.</p> <p>The public were invited to re-join the meeting and the Chair confirmed that Mrs Clarke had been unanimously co-opted onto the GPC.</p> <p>BC officially joined the meeting and signed her Declaration of Acceptance of Office of Councillor. The Register of Interests form will be completed and returned by BC to the Clerk within 28 days. BC was also provided with a copy of the Code of Conduct for her retention.</p> <p>Clerk to notify Elections at RCC and forward signed Declaration of Acceptance of Office of Councillor and Register of Interests form to update their records.</p>	Clerk

051.3	<p><b>Repositioning and Re-Purpose of Finances for Training of Councillors and Procurement of IT for Clerk</b> GS explained that the 2026/27 budget had been prepared and signed off before he became Chairman. It was evident that some allocations needed to be re-purposed, eg training for the new councillors had not been included in the 2026/27 budget. It was agreed to re-purpose £500 for councillor training from the Highways Safety Projects/Traffic Measures budget line (currently £6,000). This was originally allocated for the Auto Speed Watch project (£2.5K - £3K) which had not materialized to date, village gates, etc and it was felt that £500 could be re-allocated from here. The Chair also recalled that the Community Centre projects/support budget line had been changed to “Village Support” at a previous meeting.</p> <p>Proposed by GS, seconded by JF and unanimously <b>RESOLVED</b> – to amend “Community Centre Projects/Support” to read “Village Support”.</p> <p>Proposed by JD, seconded by GS and unanimously <b>RESOLVED</b> – to re-purpose £500 from the Highways Safety Projects/Traffic Measures budget line to a new line for “Training”.</p> <p>Procurement of IT – it was agreed that the Clerk seeks and presents quotes to the next meeting of the Parish Council for a replacement laptop and associated software as previously discussed.</p>	Clerk  Clerk  Clerk

Concern was expressed regarding the matter once again getting lost as a result of the Portfolio transfer however, NB assured that he was in contact with the new Portfolio holder. NB reiterated the importance of addressing speeding issues within the whole of Greetham, not Bridge Lane alone, particularly in light of new housing planning applications. NB undertook to follow up and report back on the following points:-</p> <p>20mph enforcement – can this be enforced in Greetham by the Police? Satellite speed survey - is Greetham included? Portal Highways Inspector – visit to Greetham</p> <p>The Chair reported that correspondence had been received (see Minute No: 055.26) from some residents requesting a change to the speed limit within Greetham, together with an informal vote. However, no discussion ensued due to not being a specific agenda item. Due time and consideration were needed on this matter, together with having regard for previous work undertaken by the Parish and County Councils and the Police.</p> <p>The Chair proposed, seconded by JD and it was unanimously <b>RESOLVED</b> – (1) to await a report back from NB at a future GPC meeting following his investigations outlined above and (2) to decide an action plan on how to address this complex and important subject, outlining the Parish Council’s viewpoint, for submission and consideration by RCC.</p>	<p>NB</p> <p>NB/ Clerk</p>
