

GPC – 8 July 2026

## Report from Lead Representative for Streets and Services, Cllr LeRoy Sheppard

### Fix My Street Overview as at 30 June 2026

Overhanging Tree( Black Horse) Main Street

Reported via desktop in the Overhanging tree, hedge or shrub category anonymously at 14:17, Monday 29/06

Sent to [Rutland County Council](#) less than a minute later. **FixMyStreet ref: 9701893.**

The Tree is obstructing the footpath, causing pedestrians to step off the pavement into the road.

Overgrown path

Reported via mobile in the Overgrown/hanging Vegetation category anonymously at 18:03, Tuesday 23 June 2026 using [FixMyStreet Pro](#)

Sent to [Rutland County Council](#) less than a minute later. **FixMyStreet ref: 9671989.**

Hi, the public footpath next to our house has become overgrown, would it be possible to send someone out to trim it when possible?

#### UPDATES

#### UPDATES

- Your report has been received in relation to the highway drainage issue you have reported.

*Posted by **Rutland County Council** at 11:54, Saturday 20 June 2026*

- Action has been scheduled in relation to the highway drainage issue you have reported.

*State changed to: Action scheduled*

*Posted by **Rutland County Council** at 12:02, Monday*

- Thank you for reporting an issue with a gully or manhole.  
Drainage features are important for road safety and effective water management. We will review the information you have provided and arrange an inspection based on the level of risk. If the issue presents an immediate safety concern (such as a missing or unstable cover), we will take urgent action to make the area safe.

*State changed to: In progress*

*Posted by **Rutland County Council** at 13:14, Monday*

- The highway drainage issue you reported has now been fixed. Thank you for letting us know.

*State changed to: Fixed*

*Posted by **Rutland County Council** at 14:38, Monday*
